You can paint it and decorate it your way! We have our best Farmer Dude, Michael, and he is going to help you create your own bird house!

Parents are welcome to help and be a part of the fun. Be prepared to get a little messy! No tools needed! Everything will be precut and ready to go!

All materials supplied!

There is no charge for this event! The purpose of the Northwest Bird Club is to join together people who share a common interest in keeping and breeding exotic birds in captivity. To educate our members and the general public in the best care, keeping, maintenance and breeding of their birds. To support bird conservation.

Together we can make a difference!
